## Oregon Senate Bill 501 - Sponsored by Senator Wagner.

Here is the summary of the bill, reprinted from:

<https://olis.leg.state.or.us/liz/2019R1/Downloads/MeasureDocument/SB501>

### SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Requires person to secure permit before purchasing or otherwise receiving firearm. Specifies qualifications for permit and manner of applying for permit. Creates procedures for appealing denial of permit. Punishes receipt of firearm without valid permit by maximum of 364 days' imprisonment, \$6,250 fine, or both.

Requires person who owns or possesses firearm to secure firearm with trigger or cable lock or in locked container. Punishes failure to secure firearm by maximum of 30 days' imprisonment, \$1,250 fine, or both.

Requires person who owns or possesses firearm to report to law enforcement agency loss or theft of firearm within 24 hours. Punishes failure to report loss or theft by maximum of 30 days' imprisonment, \$1,250 fine, or both.

Prohibits possession of magazine with capacity to hold more than five rounds of ammunition. Provides that person in possession of such magazine must sell or otherwise dispose of magazine within 180 days of effective date of Act. Punishes unlawful possession of magazine capable of holding

more than five rounds by maximum of 364 days' imprisonment, \$6,250 fine, or both.

Requires criminal background check before transfer of ammunition. Restricts ammunition receipt to 20 rounds within 30-day period.

Prohibits transfer of firearm by gun dealer or private party until latter of 14 days or Department of State Police has determined that recipient is qualified to receive firearm.

**Editors note:** *Can you imagine trying to compete in any of the matches held at Chatuge Gun Range with a restriction of 20 rounds a month. I don't see how this will actually pass, but then it is the left coast. Not being able to buy more than 20 rounds a month, will just about stop any competitions in Oregon, as we all know you can go through that amount in short order, just trying to set a zero on most any firearm.*

*If this goes into law, than any criminal out there will feel it a good bet to go into most any home, knowing a firearm is secure making it totally useless to the home owner. Oh yeah, they could say to the person coming in the back door, "Wait a minute, I need to get my gun out of the locked cabinet." Yeah, that will work! Glad I Live in Georgia.*
