A Word From the President Lightning Strikes Twice

For a second time, lightning wreaked havoc at the range on Saturday, August 16. Since I know that no member would risk losing his membership by intentionally destroying Club property, I can only surmise that lightning destroyed two target stands and neatly deposited them in the adjoining woods. Each week, Artie Delpup volunteers his time to maintain the range and its property, including building and repairing target stands for the convenience of our members. So when something like this happens, it can be frustrating and discouraging because of all the work involved. Target stands are there for your use, please do not abuse them.

Smallbore Silhouette - August 23, 2014 - [More Photos & Results](#)

On Labor Day weekend we held a **Steel Plate match at the range**. It was a cloudy day but we managed to finish before it started to rain. There were several new faces at the match along with the usual shooting crew. The course was set up to be challenging including the infamous rimfire spinner and a bonus chicken shot out at 40 yards. Many competitors took a shot at the chicken but only a few were able to hit it and get 10 seconds removed from their time. One of our first time match shooters, Paul Avery, shot well enough to secure two first place finishes as well as a second place finish. Just goes to show that everyone has a chance to get a plaque and finish in the top of the pack. Hope to see more new shooters at our next match! [More Photos](#)

On August 17 we held the .22 Caliber No Score Fun Match. 20 shooters took part in the day and got to test their skill in bowling pin, steel plate, smallbore silhouette and cowboy silhouette. We had many relays as shooters moved from one venue to the next. Most people shot both rifle in the silhouette stages and pistols for bowling pin and steel plate. I thank all of the members that gave up their time to make this event happen. Also all the shooters that came out to give it a try. My hope is some will now come out to our regular matches. Photos below.
